### **Samsung CLP-300**

**The world's smallest and lightest color laser printer with  
unequaled Samsung reliability.**

Introducing the new smallest and lightest color laser printer in its class, the CLP-300. It features the same exclusive NO NOIS print engine that's in Samsung's professional series of color laser printers, for quiet operation and simple toner changes. The CLP-300 color laser printer. Small and light. With the big color you're looking for.

**€ 299 incl. VAT @ 21%**
